# Corrective Actions Management System

Powerful features, simply designed

Our system helps organisations to improve and standardise their processes for resolving and preventing undesirable events from occurring again.

Having full visibility of the complete process provides reassurance actions are never missed and your quality assurance loop is being closed.

New Zealand owned - designed with New Zealand businesses in mind

**Affordable**  
cost effective  
monthly service fee

Achieve results –  
Embed and sustain change in  
a timely manner
