Benefits

Accessible

- via desktop and tablet
- perfect for work from home, remote and multiple work sites
- individual staff login

Simple To Navigate

- easy to understand format

Adaptable

- customisable templates to suit individual requirements
- easily generate executive reports

Share

- export, print and share reports with ease

Features

Credentialing Register

- capture staff details with ease
- filter, find and view individual staff members quickly
- track individuals or groups to ensure staff are up-to-date with professional competencies

Intelligent Reporting Functionality

- automated alerts to individuals and managers of expiring competency – flexibility of notice timeframes set by user
- executive level reports are easy to make with just a couple of 'clicks'
- reports can be generated by single department, credential category or single staff member
- dashboard reporting allows 'real' time view of staff status – current, close to expiry and expired competency levels

'have confidence your staff are always meeting their professional competencies'
