Knowledge Base Management System

Powerful features, simply designed

Quality Hub's Knowledge Base Management System conveniently collates all your important documents and templates in one centralised web-based system.

Simply upload new material, training modules, and up-to-date research. Keep a library of current policies, procedures and organisational templates for all staff to access wherever they happen to be based.

New Zealand owned - designed with New Zealand businesses in mind

Affordable

cost effective monthly service fee

Pride yourself on always having current document management practices - easily accessible by all

Take action today

Accessible

hosted on servers in New Zealand
